

CHOREOGRAFFITI

The KICKSTARTER is LIVE!

Hi friends! I'm Renée Camus, an English country dance caller and choreographer. As you may have heard, I'm embarking on a new project and I'd love your help:

I'm putting together a book and CD of my English country dances, called Choreograffiti!

It's going to be a spiral-bound book and a two-disc CD set, with 21 tracks! It's recorded by some of the world's best ECD musicians: Shira Kammen, Audrey Jaber, and Chip Prince, along with guests Jim Oakden, Del Eckels, and Christopher Jacoby. Christopher is also producing.

Please consider contributing to the project. You can be among the first to order the book and CD, which will hopefully be available for delivery in July 2026. **Thanks for your support!**
